

Fast-Aid Fundraiser Recap

Thank you for willingness to help raise funds to support Fast-Aid as we support the off-road racing family through education and financial assistance. Fast-Aid has worked hard to develop a reputation as a non-profit service organization with the utmost

integrity. We are proud of our reputation and would never want our ability to serve the racing family to be hindered by people being able to question our motives or methods. As such, we ask that if you desire to hold an event to raise money for Fast-Aid and would like to use the Fast-Aid name in your promotion of an event, you agree to complete the attached paperwork and abide by some policies we have set forth. If you have any questions or concerns, I welcome you to contact me.

Sincerely, Jared Tetzlaff, President
